Thanks for the additional detail.

I will send in for processing tomorrow.

See email below.

My contracts person in the region not sure why you haven't seen the \$10K yet.

The contracting officer in HQ handling it is Claudia Armstrong.

Fran,

Raj Singhvi called this morning. He said to complete the remaining work on the sampling and analysis protocol for MCHM he needs an additional

\$15K. This is on top of the \$10K we are processing. (He also said he didn't get this funding yet. Told him I will look into the status; I have no idea how long it takes.)

Let me know your thoughts.
